

ASSOCIATION BENEFITS PACKAGE

Help Now Group

Association Benefits Package

OUR BACKGROUND

Help Now Group is a collective of local businesses spread across Australia. We were founded in 2016, in Canberra and are positioned to provide services to your association members across the country.

WHY

Mental health continues to impact associations, small to large businesses across the country at an alarming rate. In order to stay in business, investment in mental health benefits for small, medium and large business demands direct return-on-investment, not just awareness raising. We see your values and beliefs as an association focuses on buying local, accountable services to return immediate profits to your benefit members.

What are the benefits?

BENEFITS DIRECT TO MEMBERS

We recognize member benefits require continuous attention and growth to attract and maintain the needs as they arise. In recognition of this Help Now Group provides substantial discounts to members and **direct return on investment** to associations.

HOW OUR BENEFITS SUPPORT YOUR MEMBERS

With Help Now Group's features your members can receive

- Cutting edge EAP technology and a 1st in Australia
- Australian 1st Group EAP Modalities

- Increase Productivity in your space/work/membership
- Add unique benefits to members/employees
- Create new pathways of self-care, community building
- Invest locally
- Be rewarded for mental health alongside your members/staff/employees
- Android and IOS

RETURN ON INVESTMENT TO YOUR ASSOCIATION

We believe in our product and our small business professionals that want to serve your association unlike any other EAP in Australia. We give direct service refunds to your association for services used by employees! Research says that typical use of employee assistance services is around 15% by businesses. So its simple, they use EAP how they typically use it and all fees are returned to you annually to give back to members. An Association / Membership group can offer service through Help Now Group and get substantial benefits with not only direct hourly session discounted rates as well as rebates back to the membership/association/employer.
